

Completely Anonymous Police Tips

The Larchmont Police Department, in conjunction with Westchester County, has launched tip411, an internet based tool from Citizen Observer that enables the public to text message an anonymous tip to police and lets officers respond back in real-time to create an anonymous two-way conversation.

To submit an anonymous tip via text message to the Larchmont Police Department, text VLPDTIP and your tip to 847411 (tip411).
