RE: Referral of Proposed Local Laws

Dear Mr. Datino:

At the Coastal Zone Management Commission (CZMC) meeting on October 24, 2016, CZMC continued its discussion of the proposed amendments to the Village's local laws.

It was the consensus of CZMC that the proposed amendments are consistent with the policies in the Local Waterfront Revitalization Program (LWRP) and that the Village should move forward with their adoption. However, in the future, CZMC would suggest additional amendments to the Stormwater, Drainage and Water Pollution Control Law and the Wetlands Law which would reflect the latest updates to the LWRP.

If you have any questions or comments regarding this matter, please do not hesitate to contact us or the Town of Mamaroneck Environmental Planner, Elizabeth Paul at (914) 381-7845.

Very truly yours,

Dr. C. Alan Mason & Marc Godick (E.P.)
