**RE: Referral of Proposed Local Laws
Rock Removal & Parking**

Dear Mr. Datino:

Coastal Zone Management Commission (CZMC) members reviewed the proposed amendments to the Village's local laws.

It was the consensus of CZMC that the proposed amendment pertaining to rock removal is consistent with the policies in the Local Waterfront Revitalization Program (LWRP). The amendment seeks to control noise pollution in our community. CZMC did not, however have an opinion for or against the proposed amendment to the parking requirements. This amendment does not apply to the policies in the LWRP.

If you have any questions or comments regarding this matter, please do not hesitate to contact us or the Town of Mamaroneck Environmental Planner, Elizabeth Paul at (914) 381-7845.

Very truly yours,

Dr. C. Alan Mason & Marc Godick (S.P.)
