January 27, 2021

Meeting Notes

The fourth meeting of the PRRC was held on January 27, 2021. All members of the PRRC were present, except for Rabbi Jeffrey Sirkman, Rina Beder, Schuyler Dubitsky, and Michael Schidlow. The following represents a summary of the key issues discussed.

1. Minutes from the January 13, 2021 meeting.

No one had any comments on the minutes for the previous meeting.

2. Timeline.

The goal is to have each Sub-Committee present a draft of their section of the plan at the next meeting on Wednesday, February 10. The following meeting, tentatively scheduled for February 24, would be to discuss and finalize the draft Plan in order to be ready to present to the public and schedule a public hearing in early March. The Board of Trustees would review the Plan and make any changes deemed necessary based on public comments and finalize the Plan by the end of March.

3. Sub-Committee Reports.

   a. Community Policing – the Sub-Committee followed up on their summary from last meeting and said that they planned to focus on implementation next. In addition, they had various questions regarding the Larchmont PD budget.

   b. Data – the Sub-Committee presented its draft plan and will continue to work on it for the next meeting.

   c. Training - the Sub-Committee has gathered the information it needs to complete its plan.

   d. Transparency – the Sub-Committee is continuing to explore how to make the civilian complaint process more user friendly and what information to present on the Village website. They have expanded their scope to include hiring and the Chief provided the PRRC with an overview of the hiring process.

   e. Policies of the Larchmont PD – Michael Schidlow was unable to attend, so Mayor Walsh and Trustee Bauer will follow-up with him regarding the status of this topic.

   f. Scheduling/Staffing/Duty Roster – Administrator Justin Datino has taken on a review of scheduling and staffing to aid in understanding changes that may need to be made if some of the Sub-Committees recommendations are to be realized.

The Sub-Committees should meet again before our next meeting and begin preparing their draft plans. The New Rochelle draft plan has been posted in the google drive so the Sub-Committees can review to see what other municipalities are working towards.

We have created a template for you to use in preparing your draft plan. While there may be some variation based on the particulars of your Sub-Committee topic, please try to follow the template format as much as possible.

5. Next Meeting.

The next meeting will be held on Wednesday, February 10 at 5:30pm.
