The second meeting of the PRRC was held on December 22, 2020. All members of the PRRC were present, except for Rabbi Jeffrey Sirkman, Rev. Lisa Mason, Captain Rigano and Paul Mahoney. The following represents a summary of the key issues discussed.

1. Minutes from the December 9, 2020 meeting.

No one had any comments on the minutes for the previous meeting.

2. Survey.

A new survey was created by Resident Member Gina Scutelnicu, and the Collaborative reviewed the survey and provided comments. Trustee Bauer and Mayor Walsh will work with Ms. Scutelnicu to create the survey in survey monkey and distribute in the manner previously discussed.

3. Areas of Interest/Sub-Committees

The Collaborative discussed the areas of interest for the PRRC identified at the previous meeting and determined that sub-committees would be the most efficient way to address each of those areas. In addition, it was noted that documents continue to be added to the shared google drive to assist in the review of the below listed areas. The google drive can be accessed here: https://drive.google.com/drive/u/1/folders/1ZhainId28rc6I9eGuL-oPBewE9UOejev

Sub-committees should attempt to meet and discuss their topic and potential approach prior to the next Collaborative meeting, so they may update and bring additional requests for information to the larger group at that time.
